Dear Sir

LETTER OF APPRECIATION

We would like to express our sincere appreciation to you and your team of consultants for the professionalism and outstanding service rendered to us. Although we have had our software for more than 10 years, we still receive the same dedicated service that we received from day one. Few companies today offer this ongoing commitment to customer satisfaction.

Your ideas, responsiveness and implementation have been far beyond industry norms and were able to quickly identifying our company's needs and swiftly solve our problems.

It is a pleasure to work with a firm, which not only understands and accommodates customer requests, but also adds value through innovation. Keep up the good work.

Yours truly,

CANON ELECTRONICS (M) SDN BHD
