

Strategic Partnership Announcement: YGL Convergence Malaysia Sdn Bhd and PT. Indo Trans Teknologi Join Forces

Jakarta, Indonesia – 5th September 2024 – YGL Convergence Malaysia Sdn Bhd ("CM"), a subsidiary of YGL Convergence Berhad, is excited to announce a strategic partnership with PT. Indo Trans Teknologi ("TRANSTRACK"). This collaboration focuses on delivering cutting-edge, localized solutions for smart warehouses and logistics across Southeast Asia.

By integrating TRANSTRACK's fleet and supply chain management solutions with CM's expertise in Enterprise Resource Planning (ERP), Warehouse Management Systems (WMS), and Smart Manufacturing, the partnership aims to boost operational efficiency and customization in key industries. The joint effort will target the growing demand for advanced logistics and manufacturing solutions across the region, particularly in Malaysia and Indonesia.

Attended by notable officials, including Indonesia's Minister of Transportation and the Minister of Tourism, this partnership marks a significant step in driving industrial innovation and expanding technological integration across Southeast Asia.

Attended by:

1. H.E. Mr. Budi Karya Sumadi, Minister of Transportation of the Republic of Indonesia
2. H.E. Mr. Sandiaga Uno, Minister of Tourism and Creative Economy of the Republic of Indonesia
3. Ms. Anggia Meisesari, Founder and CEO of TransTRACK
4. Mr. Ahmad Wildan, Senior Investigator, National Transportation Safety Committee

On September 10th, 2024, a comprehensive one-day program titled "E-Invoice Process Regulations & Solutions" was held at the Pearl Hotel, Kuala Lumpur, from 9:00 AM to 5:00 PM. Led by Ms. Yeap Kah Phaik, Senior Project Manager at YGL, this course was designed to offer a deep dive into the upcoming digitalisation of tax administration.

On September 11, 2024

YGL Company welcomed a delegation from the International Trade Investment Promotion Group of Luzhou City, Sichuan Province, China, for a courtesy visit. The visit focused on exchanging business opportunities and exploring potential collaborations between the two regions. Both parties discussed strategies to strengthen ties and develop partnerships that could drive growth in their respective markets. This collaboration offers a promising avenue for expanding market presence in Southeast Asia and China, particularly in sectors such as technology, trade, and Halal industry. By leveraging their combined strengths, YGLWORLD and Luzhou City aim to foster mutually beneficial business ventures and contribute to economic development on a broader scale.
