

YGL Christmas Celebration 2024

The YGL family came together to celebrate the festive season with joy, laughter, and holiday cheer during our annual Christmas celebration!

The festivities began with thrilling games that showcased teamwork and skill, bringing everyone together in the spirit of friendly competition. A big congratulations to our game winners who walked away with fabulous prizes!

The celebration became even more dazzling with our *Best Dressed Awards*. The most stylish lady and gentleman wowed us with their festive attire, turning the event into a showcase of creativity and holiday spirit.

A highlight of the day was the heartwarming gift exchange, where smiles and surprises lit up the room. It was a beautiful moment that embodied the true spirit of Christmas—sharing, giving, and togetherness.

To round off the celebration, we enjoyed a delightful tea break with an array of delicious treats, fueling the joy and camaraderie.

At YGL, we cherish not only our achievements but also the special moments that strengthen our bond as a family. A heartfelt thank you to everyone who made this celebration so memorable.

Here's to a joyous holiday season and an exciting, successful 2025 ahead!

YGL Welcomes Dell Global Business Delegates for Strategic Collaboration *8th January 2025*

YGL Corporate Office proudly hosted two distinguished delegates from **Dell Global Business** to discuss potential collaboration aimed at driving innovation in enterprise solutions and sustainable technology. This high-level meeting marks an exciting chapter in YGL's commitment to delivering cutting-edge solutions to its clients.

Key Highlights of the Discussion:

- 1. Enhancing Enterprise Solutions** The dialogue focused on leveraging the strengths of both companies. YGL shared its advanced ERP systems and sustainable technology initiatives, while Dell showcased its expertise in hardware, cloud solutions, and AI-driven innovations. Together, these capabilities aim to redefine operational efficiency for businesses.
- 2. Sustainability at the Core** Both YGL and Dell emphasized the importance of sustainability in their collaboration. YGL's commitment to reducing greenhouse gas emissions and Dell's energy-efficient technologies were recognized as pivotal in driving eco-friendly advancements.
- 3. Market Expansion Strategies** The meeting explored joint go-to-market approaches to tap into new opportunities across industries. Combining YGL's ERP expertise with Dell's global presence will create transformative solutions for clients in manufacturing, logistics, and beyond.
- 4. Tailored Solutions for Clients** The discussion included plans for customized offerings to address the unique needs of different industries. By integrating Dell's high-performance infrastructure with YGL's ERP systems, both companies aim to deliver seamless, scalable, and reliable solutions.

A Promising Partnership Ahead:

The meeting concluded with a shared vision of innovation and sustainability, setting the stage for a promising partnership. Both parties expressed excitement about the collaboration's potential to deliver impactful results and strengthen their leadership in enterprise and sustainable technology solutions.

YGL proudly participated in the MIA Accounting & Financial Technology Showcase 2025 (MIA AFT 2025) on 15 January 2025, showcasing our cutting-edge Financial Reporting, Taxation, and E-Console solutions.

Designed to comply with Malaysia's regulatory requirements, our solutions streamline financial processes, enhance accuracy, and ensure seamless reporting for businesses. The event was an excellent platform to connect with industry leaders and demonstrate how YGL's innovative tools empower organisations to achieve compliance and operational efficiency.

Courtesy Visit from PIJ Holdings Sdn Bhd to YGL: A Collaborative Step Forward

On 16th January 2025, YGL was honoured to host a courtesy visit from PIJ Holdings Sdn Bhd, led by their esteemed CEO, Mr. Abdul Malik Bin Haji Ismail, along with his team. The visit marked a significant milestone in fostering collaboration and exploring opportunities to advance YGL's Smart Halal Monitoring System.

During the discussion, both teams exchanged valuable insights on leveraging cutting-edge technology to enhance halal compliance, streamline processes, and build trust across the halal supply chain. The Smart Halal Monitoring System's innovative features, designed to ensure transparency and efficiency, were highlighted as potential game-changers for the industry.

The engaging session reaffirmed our shared commitment to driving excellence in halal certification processes and contributing to Malaysia's position as a global leader in the halal economy.

We thank Mr. Abdul Malik Bin Haji Ismail and the team from PIJ Holdings Sdn Bhd for their invaluable input and enthusiasm. YGL looks forward to a fruitful partnership in the near future.
